A: The classes in SRCC will be Open Classes only. However, if many junior teams enter the same race category, we will add a prize for best junior crew.

Note : For security reasons we will not allow juniors to enter the 1x races. For team boats we recommend ages 16+. Note: We put great emphasis that all teams and team leaders have safety as a priority and understand the risks of coastal rowing. The water outside Helsingborg can be very tough in windy conditions.

A: We have boat pool for the regatta. The rental includes boat, oars and life jacket.

A: No, sorry.

Q: THIS REGATTA WILL BE THE FIRST TIME I/WE TRY COASTAL ROWING, ANYTHING WE SHOULD THINK ABOUT?

A:

1. Please, take time to try coastal rowing before racing. Even if you are an experienced rower on flat water, it is a lot different to row in waves.
2. NOTE: The water outside Helsingborg can be very difficult in windy conditions.
3. Take time to read the FISA coastal appendix so you are up to date with the rules of racing.

Q: WHERE SHOULD WE STAY?

A: We do not have any hotel bookings. Check out www.hotels.com or www.airbnb.com

A: The captains meeting will be done digitally for this years edition. Every team captain (one rower per boat) MUST however view this in order to start the race.
